Back by popular demand, a special dinner will be held on Thursday, September 12, 2019. Last year we switched things up and surprised our members with entertainment rather than a keynote speaker. We were overwhelmed with the positive feedback! Every year the attendance of our annual dinner continues to increase. We expect a large turnout this year with the announcement to our membership that Mr. Brent Webb would be performing. Mr. Webb is known as the "Mastermind" and a Mentalist who has performed worldwide. Mr. Webb has been on major TV networks, performed at many fortune 500 companies as well as cruise lines.

We ask that your organization consider sponsoring this year's dinner event. We have outlined the different sponsorship levels below. Please considering helping provide Pennsylvania's 9-1-1 decision makers with a much deserved stress free, relaxing evening.
